# Tobacco Policies in Wisconsin Municipal Buildings 2003

**Current ordinance/policy on smoking  
in buildings owned or leased by  
county, city, village or town  
compared to 2001 ordinance/policy.**

Note: All counties, cities, villages and a sample of towns were surveyed. Towns not surveyed are not shown. For this survey, responses indicating no smoking in any building at any time were the only responses coded as "banned in all county/municipal buildings". If ANY exceptions were noted, the municipalities were counted as not being smoke free.
